Dear Co-partner in Jesus' Ministry,

Greetings! I hope this letter finds you well. We returned to our Mission Base in California with a fruitful time in Bangladesh Mission Field. Our mission trip has made us thankful for many things, as most of our objectives were accomplished by the grace of God.

**We were able to assist the following projects and programs  
during our mission visitation in Bangladesh:**

• The exploited girls program; we have been able to successfully work with the legal team and victims' families • Gospel Workers' seminar • Planning with farmers • Open-air ministries • Bibles & literature distribution • Contact with goat recipients • Meeting with parents and teachers of the school students • Meeting with poor villagers • Small business development training • Public speaking workshop for lay workers • Meeting with nurse's-assistant students and overseeing other ongoing programs.

One of the projects we have to undertake is to provide Bibles to 169 jails in Bangladesh. Over 3000 Christian and non-Christian prisoners are interested to receive a Bible. We have spoken with jail authorities about the plan and they (although they are Muslims) have agreed to allow us to distribute Bibles to the Christian prisoners, as well as any of those prisoners who are interested in receiving a Bible.

I would like to personally thank you for your prayers and support for this mission trip and our safety. You made this journey possible. Because of your support, we were able to go to the mission field and demonstrate God's love and care in practical ways.

We hope and pray that you will continue to support this life changing mission work, so that we will be able to serve and meet everyday people's needs to glorify His kingdom work.

Thanks again for all that you do for the people of Bangladesh. May God bless you and your family. I look forward to hear from you soon.

With Many Blessings and Gratitude,

Dr. John N. Biswas, BEA Director  
Missionary to Bangladesh
